Education

Course Studied

NIE institute of technology
2021-2025

Course Studied

Sri chaintanya institutes
2019-2021

Course Studied

Sri chaitanay high school
2018-2019

Skills

C 

JAVA 

HTML 

CSS 

JAVASCRIPT 

MONGODB 

PYTHON 

Work Experience

I contributed to various projects by assisting in software development, performing code reviews, and debugging. This experience allowed me to apply my programming skills and expand my knowledge of software development practices. Additionally, I actively participated in team meetings, collaborating with colleagues to meet project deadlines and deliver high-quality solutions. Through this work experience, I developed a deeper understanding of industry practices and enhanced my problem-solving abilities.

PROJECT

1. Spotify clone
2. Tic tac toe
3. Snake game
4. Portfolio
5. Shopping app

ACHIEVEMENT

IINFOTHON WINNER:
2ND PLACE, (1ST JULY, 2023)
Create a University Alumni business/professional network web app
